ERASMUS+ INFORMATION 2021/22

Dear Partners,

Please find below detailed information about the application procedures for 2021/22 Erasmus incoming students at the University of Salamanca:

1st STEP: NOMINATION from home university

Nomination deadline:

July 15th, 2021 for **ALL STUDENTS (WINTER SEMESTER, SUMMER SEMESTER or FULL ACADEMIC YEAR)**. Exceptionally, we could accept later nominations for 2nd-semester students upon request.

Nomination:

Nomination is a **MANDATORY REQUIREMENT** for the acceptance of Erasmus students at the University of Salamanca. Partner universities must send by email their official nomination lists to the **International Relations Office**: erasmus-in@usal.es

The email must **necessarily** include the following data:

1. **Full name** of the student/s
2. **Email address**
3. **Subject Area** (ISCED code)
4. **Proposed Level of Study at Salamanca** (Undergraduate/Bachelor, Master or Doctorate)
5. **Proposed Period of Study at Salamanca** (winter semester, summer semester or full academic year)

Nominations lacking any of these requested data will be considered **incomplete**, and therefore **will not be validated** until amended by the home university.

Nominations must conform to the **terms of each Erasmus agreement** with regards to the **area of study, study level and the number of students**. Any change to these conditions must have the prior approval of the University of Salamanca.

Splitting full-year mobilities into two single semester mobilities is allowed as long as **the balance in the distribution of students between 1st semester and 2nd semester** is kept as set out in the agreement.
